Olive on Tap Shrub (Sipping Vinegar) Mojitos

INGREDIENTS: Per Mojito * 10 mint leaves * 1/2 Lime
1/4 cup *Olive on Tap Shrub (Sipping Vinegar)*

Choose from: Cherry - Blood Orange - Mango - Coconut
Lime - Peach - Passion Fruit - Limoncello - Strawberry

2oz light rum (optional) * ice and sparkling water to fill glass

For assembly, cut 1/2 lime in to 2 or 3 wedges. Add lime wedges, mint leaves and Shrub (Sipping Vinegar) in to a glass and muddle them to release all of the juice from the limes and to breakdown the mint. Use whatever you have to do the muddling; I used the handle of a wooden spoon.

Fill the jar almost to the top with ice, pour rum over ice and fill glass with sparking water.

Garnish with additional mint and lime.
